

Picnic at the Park (Present Progressive and Pronouns)

Read the text and answer the questions.

Right now, my family and I are having a picnic at the park. It's a beautiful day, and the sun is shining brightly. We are sitting on a big blanket under a tree. My mom is talking to my aunt, and they are planning our family vacation. They are discussing where we should go this summer. My dad is cooking food on the grill. He is making hamburgers and hot dogs for everyone. The smell of the food is amazing!

My sister is playing with our dog near the lake. She is throwing a ball, and the dog is running to catch it. They are having a lot of fun together. My little brother and I are flying a kite. The wind is perfect, so the kite is flying high in the sky. I love spending time outside with my family!

There are a lot of other families at the park today. Some people are playing soccer, and others are riding their bikes. There is even a group of people who are having a birthday party. Everyone is enjoying the sunny weather and having a great time.
