

## Parts of the Body

**Task:** Write about your favorite sport. Use at least five verbs in the simple present tense to describe how different parts of your body help you play that sport.

### Guidelines:

- Start with "In my favorite sport, I..."
- Describe at least two body parts and their functions in the sport.
- Use pronouns like "I," "my," or "they."

### Example Starter:

In my favorite sport, I play soccer. My legs help me run fast, and my feet control the ball effectively.

## Scoring Rubric

### Criteria (Total: 20 points per exercise)

#### 1. Content (6 points)

- **6 points:** The writing is fully developed with clear ideas, complete sentences, and relevant details.
- **4 points:** The writing has some ideas but lacks depth or detail.
- **2 points:** The writing is very limited with few ideas and little detail.
- **0 points:** The writing does not address the prompt.

#### 2. Grammar and Structure (6 points)

- **6 points:** The writing uses the correct verb tenses consistently (**simple past, simple present, present progressive**).
- **4 points:** There are a few grammatical errors, but they do not interfere with understanding.
- **2 points:** Frequent grammatical errors make the writing hard to understand.

- **0 points:** The writing has no clear structure or uses incorrect grammar throughout.
- Vocabulary and Word Choice (**4 points**)
- **4 points:** The writing uses a variety of vocabulary and descriptive language effectively.
- **3 points:** The writing uses some variety but is somewhat limited in word choice.
- **2 points:** The vocabulary is very basic or repetitive.
- **0 points:** The writing lacks any meaningful vocabulary.
- 3. Use of Required Elements (4 points)**
- **4 points:** All required elements (**e.g., quantifiers, pronouns, relative pronouns**) are included and used correctly.
- **3 points:** Most required elements are included, with minor errors.
- **2 points:** Some required elements are missing or used incorrectly.
- **0 points:** None of the required elements are present.
