

Future

Task: Write a short paragraph about your life five years from now, using future continuous, future perfect, and future perfect continuous tenses.

Guidelines:

- Start with **"In five years, I will be..."**
- Include sentences that utilize each of the three future tenses.
- Focus on your personal and professional life.

Example Starter:

In five years, I will be living in a different country, pursuing my dream job. By that time, I will have completed my master's degree and will have been working in my field for over two years. I will also have been developing my skills through various projects, ensuring that I am well-prepared for any challenges I might face.
