Simple Present and Pronouns

Read the text and answer the questions.

Hi! My name is Lisa, and I'm 12 years old. Every day, I wake up at 7:00 am. First, I brush my teeth and wash my face. Then, I have breakfast with my family. My mom usually makes eggs and toast, but sometimes we have cereal. After breakfast, I walk to school with my little brother, Tom. He is 8 years old, and we always have fun on the way to school.

At school, I study different subjects like math, science, and English. My favorite subject is English because I love learning new words. After school, I come home and do my homework. Then, I relax for a while and watch TV or play video games. In the evening, my family and I have dinner together. We talk about our day, and sometimes we play board games after dinner.

Before bed, I read a book or listen to music. I go to bed around 9:00 pm. This is my daily routine, and I really enjoy it!
